HISTORIC PRESERVATION IDENTIFICATION PLAN

The purpose of this plan is to identify properties under consideration for rehabilitation that may be eligible for listing on the National Register of Historic Places.

1. Determination of age of property. If the structure is less than 50 years of age, no further review will take place. Properties over 50 years of age will receive the following review.
  - a. A recent photo and historical information will be obtained of all structures over 50 years of age.
  - b. Photo and historical material will be sent to Mr. Richard Dexter, the State Historical Preservation Officer (SHPO).
2. Upon receipt of photo and historical information, SHPO will determine if the structure has historical potential.
3. If the structure has no historical potential, the rehabilitation will proceed.
4. Structures with Historical potential will have the Secretary of the Interior Historic Preservation standards applied by the SHPO, and all activity will be conducted according to these standards except for those exempt.
