

RESOLUTION

Resolution requesting the assistance of the U.S. Public Health Service in constructing water and sanitation facilities for the Oneida Tribe of Indians of Wisconsin, and authorizing the Chairman of the Oneida Tribe of Indians of Wisconsin Executive Committee of the General Tribal Council to sign and enter into agreements with the U.S. Public Health Service on behalf of the Executive Committee of the General Tribal Council.

WHEREAS, water and sanitation facilities must be provided to within five feet of each of the Mutual-Help houses programmed for construction on tribal land at Oneida Tribe of Indians of Wisconsin, and,

WHEREAS, water and sanitation facilities are needed to serve each of the existing Indian households on tribal land, and

WHEREAS, the U.S. Public Health Service has asked that the Oneida Tribe of Indians of Wisconsin Executive Committee of the General Tribal Council authorize one member of the Executive Committee of the General Tribal Council to sign and enter into agreements with the U.S. Public Health Service on behalf of the Executive Committee of the General Tribal Council, be it,

RESOLVED by the Oneida Tribe of Indians of Wisconsin Executive Committee of the General Tribal Council that the Chairman of the Oneida Tribe of Indians of Wisconsin Executive Committee of the General Tribal Council is hereby given the authority to sign and enter into any and all agreements with the U.S. Public Health Service on behalf of the Oneida Tribe of Indians of Wisconsin Executive Committee of the General Tribal Council, which concern the construction of water and sanitation facilities to serve mutual-help housing programmed for construction and to serve each of the existing Indian households on tribal land, and,

RESOLVED by the Oneida Tribe of Indians of Wisconsin Executive Committee of the General Tribal Council that the U.S. Public Health Service is hereby requested to assist in the construction of the water and sanitation facilities needed to serve each mutual-help house programmed for construction, and to assist in constructing water and sanitation facilities needed to serve each of the existing Indian households of the Oneida Tribe of Indians of Wisconsin.

CERTIFICATION

I, the undersigned as Secretary of the Oneida Tribe of Indians of Wisconsin, Executive Committee of the General Tribal Council hereby certify that in an Executive Committee of the General Tribal Council assemblage of 3 members constituting a quorum, present at a duly authorized meeting held on this 16th day of August, 1964, that the foregoing resolution was duly adopted by an affirmative vote of 3, with None against, and None abstaining, and that said resolution has not been rescinded or amended in any way.

CRITERIA FOR ASSIGNING SANITATION FACILITIES CONSTRUCTION PROJECT  
PRIORITIES AND INSTRUCTIONS FOR COMPLETION OF PROJECT PROPOSAL,  
FORM PHS-3256

The information requested on the project proposal, Form PHS-3256 is needed to record the interest of an Indian tribe or group for a project under the Indian sanitation facilities construction activity. The form is not intended for personal use by individual Indians or Indian families.

Upon receipt of a completed project proposal, a representative of the Public Health Service will contact the tribal or group representative(s) and arrange for the development and preparation of a project summary. Accepted projects will be scheduled for construction when funds become available.

All project summaries will be considered on the basis of the following criteria:

- A. Urgency of health need of Indian population in locations to be served.
- B. Feasibility of project from an engineering and economic standpoint.
- C. Ability and willingness of Indian tribes, communities or groups to assume or share with other public bodies in responsibility for maintenance and operation of sanitary facilities to be provided.
- D. Ability and willingness of Indian tribes, communities, or groups to participate in the project by specific contributions, such as labor, materials, equipment, services, or funds.
- E. Relationship of project to broader plans for sanitation improvement developed or approved by Indian tribes, communities, or groups.
- F. Enactment or applicability of enforceable sanitary laws, ordinances, or regulations calculated to aid in accomplishing the purposes of the construction and applicable to the area to be served by the facility.

**Instructions for Completion of Form PHS-3256**

Complete four copies of the project proposal. Retain one copy and forward the original and two copies to the Medical Officer in Charge of the facility designated in Item 14.

Instructions for completing items which are not self-explanatory are as follows:

- Item 10 – Enter name and address of organization that will be designated to represent your tribe or group in dealing with the Public Health Service, such as, "Tribal Council," "Public Works Committee," "Health Committee," etc. Also include name of the official of the organization to be contacted.
- Item 14 – The name and address of the local facility to which the completed proposal will be mailed shall be entered by the PHS representative before the forms are distributed to the person(s) completing the project proposal for the Indian tribe or group.
